RE: Dockets 98N-1230
96P-0418
97P-0197

September 10, 1999

To the FDA:

This letter is written to urge the FDA to stop the forced molting of hens. It is an inhumane practice that results not only in cruelty to animals, but in the senseless human deaths due to salmonella poisoning.

One child's life is not worth this irrational practice. This is a no-win situation and I urge you to stop it.

Sincerely,

Elizabeth Guare
